

Dear Tapan

Thank you for selecting the Beacon Travel Insurance Plan from Azimuth Risk Solutions, LLC. You can be confident that you have made an exceptionally good selection by doing so. With this robust travel medical insurance plan, you enjoy benefits unavailable to you through other plans in the market such as kidnap and travel delay - along with rich coverage for medical expenses, emergency medical evacuation, lost checked baggage coverage and much more.

This fulfillment of your insurance order contains the following:

- Identification card - please print, clip and keep with you during your travel at all times
- Visa Letter - this document is useful to you in the event you need to document your travel medical insurance to a consulate or embassy for the purpose of obtaining a visa
- Claim form - should you need to submit a claim for reimbursement, you will need to save your original receipts and submit them to us along with this completed form
- Receipt for the transaction

Should you lose or misplace any of these documents, they will remain available to you at any time via our website, www.azimuthrisk.com . Note also that you will receive a separate email giving you access to this information and more shortly.

Enjoy your trip and know that we are available to you at any time to assist in making your travel safe and secure.

Safe travels,
