THE MERIDIAN SERIES

APPLICATION

The Meridian Series Insurance Plan[™] is a surplus lines product underwritten by Certain Underwriters at Lloyd's of London. It is distributed, managed and administered, as agent for and on behalf of Underwriters, by Azimuth Risk Solutions (Azimuth).

Important Information

The Meridian Series offers two options: worldwide coverage or worldwide coverage excluding the US and Canada. Both options provide coverage 24 hours a day, 7 days a week allowing you to have the freedom to choose any doctor or hospital for treatment. Please note the risks and subjects of insurance under this plan are not intended or considered by Underwriters or Azimuth to be resident located, or to be performed in any particular State of the United States, and special eligibility requirements apply. Also, this insurance is not subject to certain portability, access, Continuation of Coverage or other requirements of the Health Insurance Portability and Accountability Act of 1996. Please read and review all of the eligibility requirements, coverage conditions, and preexisting condition exclusions carefully before purchasing coverage. Marketing Brochures and Evidence of Insurance containing complete terms of coverage are available upon request. Please contact Azimuth or your independent insurance agent/broker for additional details.
