Key Meridian Basic and Enhanced Benefits

Emergency Medical Evacuation

In the event you suffer a life threatening injury or illness, the Meridian Series provides benefits that are prepared to respond in a time of crisis. Emergency medical evacuation provides transportation to the nearest facility that is equipped to properly care for your condition. This does not necessarily mean a return to your home country or any specific country or territory, as the condition may demand treatment in a timely fashion which would not be the case if it was necessary for you to be repatriated. All emergency medical evacuations must be precertified and coordinated by Azimuth Risk Solutions, LLC to be eligible for coverage.

Emergency Reunion

We know it's important not to feel alone at a time of crisis, so the Meridian Series provides coverage to transport an immediate family member or riend to your bedside in the event you are evacuated. The Meridian Series will pay for round trip air or ground travel as well as lodging and meals for up to 15 days so that you will have companionship during your recovery.

Family Friendly Rates

International living can be financially challenging for a family and the Meridian Series helps make insurance affordable, thanks to our First Two Free feature. Families enjoy the benefit of having the first two children under age 10 covered at no extra charge if their parents are insured on the plan!

Optional Dental Rider

Azimuth wants to make you smile and the optional dental rider can help keep that smile looking great. By selecting this optional benefit plan, you can protect yourself from high dental costs with dental benefits that increase over a 3 year time horizon.

Optional Term Life and Accidental Death & Dismemberment (AD&D)Rider

If you reside outside of the US, you may have access to this valuable and easily added benefit. So long as you are accepted on your chosen version of the Meridian Basic or Enhanced plan, you would be able to add up to a total of \$100,000 of term life and AD&D to your plan with no additional medical questions. This powerful benefit allows you to have additional security for anyone who would suffer financially in the event of your passing.

Preferred Provider Network

Taking advantage of Azimuth's broad selection of quality US preferred providers benefits you by allowing cost advantaged access to US medical care and the significant ease of finding a qualified health care provider virtually anywhere in the US. For providers outside the US, you may access care anywhere of your choosing, or simply contact Azimuth for a suggested referral.

What If I have a Claim?

The claim process is quite simple. In the event that you have a claim for eligible expenses you have already incurred, simply complete our Claim Form, which is included in your plan fulfillment or you may download one at AzimuthRisk.com and return completed to Azimuth with your original receipts and your eligible expenses will be promptly refunded. As with every aspect of Azimuth's operations, if you have any difficulty, simply contact Azimuth and we will gladly help you with completing the process. In the event that you have a large or ongoing claim your pre-certification through Azimuth will in many cases allow us to arrange for your care and payment directly to your healthcare provider.

Pre-certification:

In order to receive complete benefits hospital admissions, trip interruptions, repatriation of mortal remains, emergency reunions, emergency medical evacuations, any eligible inpatient or outpatient procedure as indicated in the Evidence of Insurance, must be precertified by contacting Azimuth Risk Solutions through the contact information indicated on the member's insurance card prior to receiving service. In the case of emergency hospital admission, Azimuth must be contacted within the first 48 hours of admission or as soon as possible. Pre-certification is not a guarantee of coverage.

The ARS Client Center

The ARS Client Center is a tremendous online resource which allows you to access information about your insurance on a round the clock basis. Whether you need to print a replacement identification card, to find a nearby doctor, check on a claim or much more, you can do so from any computer in the world. THE MERIDIAN SERIES APPLICATION

Going Your Way

The Meridian Series Insurance Plans is a surplus lines product underwritten by Certain Underwriters at Lloyd's of London. It is distributed, managed and administered, as agent for and on behalf of Underwriters, by Azimuth Risk Solutions, LLCsm (Azimuth).

Important Information

The Meridian Series offers two options: world-wide coverage or worldwide coverage excluding the U.S. and Canada. Both options provide coverage 24 hours a day, 7 days a week allowing you to have the freedom to choose any doctor or hospital for treatment. Please note the risks and subjects of insurance under this plan are not intended or considered by Underwriters or Azimuth to be resident located, or to be performed in any particular State of the United States, and special eligibility requirements apply. Also, this insurance is not subject to certain portability, access, renewal or other requirements of the Health Insurance Portability and Accountability Act of 1996. Please read and review all of the eligibility requirements, coverage conditions, and pre-existing condition exclusions carefully before purchasing coverage. Marketing Brochures and Evidence of Insurance containing complete terms of coverage are available upon request. Please contact Azimuth or your independent insurance agent/broker for additional details.
