The Scheme Administrator will use its best efforts to evaluate and recommend treatment settings and/or procedures and/or supplies that can reasonably be expected to result in the same or better care of the Participating Member. The Participating Member is under no obligation to accept or follow any of the Scheme Administrator's recommendations. However, if the Participating Member accepts and follows any of the Scheme Administrator's recommendations, the Participating Member agrees to hold the Scheme Administrator harmless from same, and the Scheme Administrator shall not be held liable or otherwise responsible for any treatment or supply provided to the Participating Member except for the payment of claims and Benefits eligible for coverage under the Terms of this insurance. The Terms of the Master Policy, as evidenced by the Evidence(s) of Insurance issued by the Master Policy, shall not be waived or changed except by the express written agreement of the Scheme Administrator.

- 9 SERVICE OF SUIT** — It is agreed that in the event of the failure of Underwriters to pay any amount claimed to be due hereunder, Underwriters, at the request of the Participating Organization or Participating Member, will submit to the jurisdiction of a court of competent jurisdiction within the United States. Nothing in this clause constitutes a waiver of underwriters' rights to commence an action in any court of competent jurisdiction in the United States, to remove an action to a United States District Court, or to seek a transfer of a case to another court as permitted by the laws of the United States or any state in the United States. In any suit instituted against Underwriters hereunder, Underwriters will abide by the final decision of such court, or of any Appellate Court in the event of an appeal. Further, pursuant to any statute of any state, territory or district of the United States that makes provision therefor, the Scheme Administrator hereby designates the Superintendent, Commissioner or Director of Insurance or other officer specified for that purpose in the statute, or his/her successor or successors in office, as its true and lawful attorney upon whom may be served any lawful process in any action, suit or proceeding instituted by or on behalf of the Master Policyholder, Participating Organization or any Participating Member arising hereunder, and hereby reserves the right to designate an attorney of the Scheme Administrator's choice in conjunction with Underwriters, as its attorney-in-fact and agent for service of process to whom said officer or Commissioner is authorized to mail or serve such process or a true copy thereof.

Should the Participating Member fail to so cooperate, account or prosecute any valid claims against any such third party or parties, and the Scheme Administrator thereupon or otherwise becomes liable to make payment under the Terms of this insurance, then the Scheme Administrator shall be fully subrogated to all rights and interests of the Participating Member with respect thereto and may prosecute such claims in its own name as subrogee. The Participating Member's submission of Proof of a Claim, acceptance of coverage or Benefits under this insurance shall be deemed to constitute an assignment of such subrogation rights by the Participating Member to the Scheme Administrator. Any amount recovered by the Scheme Administrator shall first be used to pay the costs and expenses of collection incurred by the Scheme Administrator, including reasonable attorneys' fees, and for reimbursement to the Scheme Administrator for any amount that it may have paid or become liable to pay under this insurance. Any remaining amounts recovered shall be paid to the Participating Member or other persons lawfully entitled thereto, as applicable.
- 12 MISREPRESENTATION** — Any misstatement, omission, concealment or fraud, either in the Participating Member's Application which forms a part of the Master Policy or Evidence of Insurance issued by the Master Policy, or in relation to any statement, certification or warranty made by the Participating Member or their representatives, agents or proxies, whether in writing or otherwise, to the Scheme Administrator or their respective agents, employees or representatives, or in connection with the making of any claim under this insurance, shall render the Master Policy null and void and all claims and Benefits under this insurance shall be forfeited and waived.

- 13.1** All or part of the claim was not incurred by or paid by or on behalf of the Participating Member; or
 - 13.2** The Participating Member or any member of the Participating Member's Family, whether or not the family members was a Participating Member under this insurance plan, is repaid or is entitled to be repaid for all or part of the claim by Other Coverage or by or from a source other than the Scheme Administrator; or
 - 13.3** All or part of the claim was not eligible for payment or coverage under the Terms of this insurance; or
 - 13.4** All or part of the claim was paid or reimbursed based on an incorrect or mistaken application of Benefits under this insurance; or
 - 13.5** All or part of the claim has been excused, waived, abandoned, forfeited, discounted or released by the provider; or
 - 13.6** The Participating Member is not liable or responsible as a matter of law for all or part of a claim. The Scheme Administrator shall have the right to a refund and to recover the amount of overpayment from the Participating Member and/or the hospital, Physician, or other provider of services or supplies, as the case may be. For overpayment of claims as specified under **Sections 13.1** through **13.6** above, the amount of the refund and recovery shall be the difference between: (i) the amount actually paid by the Scheme Administrator, and (ii) the amount, if any, that should have been paid by the Scheme Administrator under the Terms of this insurance. For all other overpayments, the amount of the refund and recovery shall be the amount overpaid. If the Participating Member or the hospital, Physician or other provider of services or supplies does not promptly make any such refund to the Scheme Administrator, the Scheme Administrator may, in addition to any other rights or remedies available to it (all of which are reserved): (i) reduce or deduct from the amount of any future claim that is otherwise eligible for coverage or payment under this insurance, to the full extent of the refund due to the Scheme Administrator; and/or (ii) cancel any Evidence(s) of Insurance and all further coverage of the Participating Member under the Master Policy by giving thirty (30) days advance written notice by mail to the Participating Member's last known residence or mailing address, and offset against the amount of any refund of Premium due the Participating Member to the full extent of the refund due to the Scheme Administrator.

14 OTHER INSURANCE —The Scheme Administrator shall not be obligated to provide any Benefits or to pay any claim under this insurance if there is any Other Insurance, membership benefit, government program, reimbursement or indemnification coverage, right of contribution, recoupment or recovery, contract, or other third-party obligation or provision of Benefits ("Other Coverage") that would, or that would but for the existence of this insurance, be available or obligated to provide such benefit or to pay such claim, except in respect of any excess beyond the amount payable or provided under such Other Coverage had this insurance not been effected. The Scheme Administrator shall not be obligated to provide any benefit or to pay any claim in respect to treatment or supplies furnished by any program or agency funded by any government.
