Important Notice Regarding Israel and Palestine Destinations

Due to the volatile situation in Israel and Palestine, we have made the decision to temporarily suspend coverage for travel to these destinations. This decision is driven by our commitment to ensuring the safety and well-being of our policyholders, as well as the current risks associated with travel to these areas.

Effective immediately, Azimuth Risk Solutions will not be offering travel medical insurance products for travel to Israel and Palestine. We understand that this may impact some of our members who are currently in the affected areas or have plans to travel there soon.

Our primary concern is the safety and security of our policyholders, and we will do everything within our power to support and assist them during this challenging time.

We will continue to closely monitor the situation and provide timely updates on the resumption of coverage for these destinations. Our priority remains the well-being of our policyholders, and we are committed to reevaluating the situation as it evolves.
