Who Is Eligible for the Meridian Series?

Clients who qualify medically and are more than 14 days old and under the age of 65 whom either live outside of the United States, or who would not qualify for a US domestic health insurance plan as a result of their citizenship status would be able to apply for the plan and once accepted, would be able to renew indefinitely with no medical questions at their renewal period subject to the terms of the Evidence of Insurance. Those clients who qualify medically and are accepted on the plan after the age of 65 would be able to renew their plan up to their 75th birthday. If you are a US citizen, you must leave the US within 30 days of your effective date of insurance and within 30 days of your renewal date. If you are in the US at that time you will receive notice of your renewal approximately 60 days in advance of your date of renewal.

Who Insures This Plan?

The preeminent name in international insurance is Lloyd's, London. This largest, oldest and most respected insurance market is the insurer on all Azimuth Risk plans. You will have the security of knowing that you are working with an insurer which has paid every valid claim presented to it for more than 320 years. Lloyd's is 'A' rated by AM Best and Standard & Poor's for their superior ability to pay claims.

Azimuth is a Managing Agency for our insurer, Lloyd's, London and the scheme Administrator for the Meridian Series.

The Meridian Difference

There are different choices available to you in the international medical insurance market; the key is selecting an insurance provider which you can be confident will be available to you at your time of need, which understands the culture of international living and has the security to weather the financial environment in the world as it is today. By choosing either the Meridian Basic or Meridian Enhanced, you can be certain that you have made the correct selection on all counts.

The Meridian Speed Underwriting

The Meridian Series plans involve a review of your application by underwriters to determine your eligibility for coverage and acceptance on the plan. Even though no one likes to wait, rest assured that Meridian underwriting is extraordinary in its speed, accuracy and efficiency. Meridian Basic plans are routinely reviewed and processed within 2 business days and Meridian Enhanced are regularly reviewed and processed within 3 business days, provided we receive all necessary information. Once accepted on the plan, you will receive confirmation of coverage via email if you provide the information, followed by a complete fulfillment kit containing your evidence of insurance, identification card(s), sample claim form, welcome letter and receipt for the transaction. If your application is declined, your premium will be refunded in total.

Your full satisfaction is our goal and after receiving your fulfillment you have the opportunity for a 7 day review of the plan. If for any reason you are not completely satisfied you may cancel your plan, via written notice to Azimuth Risk Solutions, LLC and receive a full refund of your paid premium amount. After this 7 day period has elapsed, you may cancel at any time by providing 60 days written notice to Azimuth Risk Solutions, LLC.

Your unearned premium amount will be returned, less a Short Rate Cancellation Fee which is indicated on the Lloyd's, London jacket which contains your Evidence of Insurance.

Meridian Basic

The Meridian Basic provides a premium menu of essential, generous, yet affordable benefits. If great value at a price which will still allow room for the rest of life's expenses is vital to you, the Meridian Basic is the right fit for you.

Meridian Enhanced

The Meridian Enhanced plan offers the premier benefits available in the international medical insurance market today. If it is important to you that only the best medical insurance plan will be sufficient for you, the Meridian Enhanced provides the richest in benefits while still offering you the kind of quality premium value that only Azimuth is able to provide.

Emergency Medical Evacuation

In the event you suffer a life threatening injury or illness, the Meridian Series provides benefits that are prepared to respond in a time of crisis. Emergency medical evacuation provides transportation to the nearest facility that is equipped to properly care for your condition. This does not necessarily mean a return to your home country or any specific country or territory, as the condition may demand treatment in a timely fashion which would not be the case if it was necessary for you to be repatriated. All emergency medical evacuations must be precertified and coordinated by Azimuth Risk Solutions, LLC to be eligible for coverage.

Emergency Reunion

We know it's important not to feel alone at a time of crisis, so the Meridian Series provides coverage to transport an immediate family member or friend to your bedside in the event you are evacuated. The Meridian Series will pay for round trip air or ground travel as well as lodging and meals for up to 15 days so that you will have companionship during your recovery.

Family Friendly Rates

International living can be financially challenging for a family and the Meridian Series helps make insurance affordable, thanks to our First Two Free feature. Families enjoy the benefit of having the first two children under age 10 covered at no extra charge if their parents are insured on the plan!

Optional Dental Rider

Azimuth wants to make you smile and the optional dental rider can help keep that smile looking great. By selecting this optional benefit plan, you can protect yourself from high dental costs with dental benefits that increase over a 3 year time horizon.

Optional Term Life and Accidental Death & Dismemberment (AD&D) Rider

If you reside outside of the US, you may have access to this valuable and easily added benefit. So long as you are accepted on your chosen version of the Meridian Basic or Enhanced plan, you would be able to add up to a total of \$100,000 of term life and AD&D to your plan with no additional medical questions.

This powerful benefit allows you to have additional security for anyone who would suffer financially in the event of your passing.

Preferred Provider Network

Taking advantage of Azimuth's broad selection of quality US preferred providers benefits you by allowing cost advantaged access to US medical care and the significant ease of finding a qualified health care provider virtually anywhere in the US. For providers outside the US, you may access care anywhere of your choosing, or simply contact Azimuth for a suggested referral.

What If I have a Claim?

The claim process is quite simple. In the event that you have a claim for eligible expenses you have already incurred, simply complete our Claim Form, which is included in your plan fulfillment or you may download one at AzimuthRisk.com and return completed to Azimuth with your original receipts and your eligible expenses will be promptly refunded. As with every aspect of Azimuth's operations, if you have any difficulty, simply contact Azimuth and we will gladly help you with completing the process. In the event that you have a large or ongoing claim your precertification through Azimuth will in many cases allow us to arrange for your care and payment directly to your healthcare provider.

Precertification:

In order to receive complete benefits, hospital admissions, trip interruptions, repatriation of mortal remains, emergency reunions, emergency medical evacuations, any eligible inpatient or outpatient procedure as indicated in the Certificate Wording, must be precertified by contacting Azimuth Risk Solutions through the contact information indicated on the member's insurance card prior to receiving service. In the case of emergency hospital admission, Azimuth must be contacted within the first 48 hours of admission or as soon as possible. Precertification is **not a guarantee of coverage**.

The ARS Service Center

The ARS Service Center is a tremendous online resource which allows you to access information about your insurance on a round the clock basis. Whether you need to print a replacement identification card, to find a nearby doctor, check on a claim or much more, you can do so from any computer in the world.
