## IS IT IMPORTANT TO HAVE TRAVEL MEDICAL INSURANCE?

Perhaps the better question is whether you are prepared to travel without it. While international travel is interesting, fun and exciting, it is important not to ignore the real risks we face, even though we do not like to think about them happening. Imagine it is 3 a.m. back home; you are severely injured in a fall. Will anyone pick up the phone at your local insurance company? If they do, can they or will they be able to help you in an emergency? Many health insurance plans have restrictions for time out of home country or geographic areas which lack coverage. Be confident when you arrive in another country that you'll enjoy the security of the finest travel medical insurance protection available in the market today. Azimuth Risk Solutions provides the essential coverage and service to respond quickly, compassionately and professionally to the emergency mentioned above and hundreds of other travel emergencies.

## WHO CAN BUY?

You are eligible for coverage if you are at least 14 days old and traveling outside of your home country.\*

You may buy coverage for yourself, your legal spouse, and your unmarried dependent children over 14 days old and under 19 years.

*\*Your home country is the place where you have your true, fixed and permanent home and principal establishment. For United States citizens, the home country is always the United States.*

## LENGTH OF COVERAGE

Your coverage length may vary from 5 days to 364 days.

**CONTINUING COVERAGE** - You have the option to renew coverage subject to a 5-day minimum, and you may renew for a total of two 364-day periods. There is a \$5 fee each time you renew. We will email you a renewal notice before the expiration date. If you renew, your original effective date is used to determine pre-existing conditions and to calculate your deductible and coinsurance for a total of 364 days, then both will begin again.

**COVERAGE START DATE** - Coverage begins at 12:01 AM North American Eastern Standard Time on the latest of the following: the day after we receive your application and correct premium if you apply and pay online or by fax; or the day after the postmark date of your application and correct premium if you apply by mail; or the moment you depart your home country; or the date you request on your application.

## BENEFIT HIGHLIGHTS

**MEDICAL BENEFITS** - We cover injuries and illnesses which occur while you are covered. Benefits are paid in excess of your deductible and coinsurance, up to your chosen medical maximum. Initial treatment must occur within 30 days of the date of injury or onset of illness.

**EMERGENCY MEDICAL EVACUATION\*** - If medically necessary, we will:

- transport you to adequate medical facilities if not available at your current location, or transport you home after receiving medical treatment related to a medical evacuation.

**RETURN OF REMAINS\*** - We will return your remains to your home country if you should die while traveling or pay for local burial/cremation at the place of death.

**RETURN OF MINOR CHILDREN\*** - If you are traveling alone with minor children and are hospitalized because of a covered illness/injury, we will transport the children home with an escort.

**EMERGENCY MEDICAL REUNION\*** - If you require an emergency medical evacuation, we will send one person of your choice to be at your side while you are hospitalized.

**INTERRUPTION OF TRIP** - If you cannot continue your trip due to an immediate family member's death or because of damage to your residence (fire, flood, tornado, earthquake, hurricane, or similar natural disaster), we will reimburse you for the cost of economy travel home.
